1. Summary of Significant Account Policies and Going Concern

A. Accounting Practices

The accompanying financial statements of the Nassau Life Insurance Company of Kansas (“NKS” or the “Company”) have been prepared in conformity with accounting practices prescribed or permitted by the State of Kansas Department of Insurance (the “Department”).

For determining the Company’s solvency under the State of Kansas’s insurance laws and regulations, the Department recognizes only statutory accounting practices prescribed or permitted by the State for determining and reporting the financial condition and results of operations of the Company. The State of Kansas has adopted the National Association of Insurance Commissioners’ (“NAIC”) *Accounting Practices and Procedures Manual* (“NAIC SAP”), version effective January 1, 2001, NAIC SAP as a component of practices prescribed or permitted by the State of Kansas. The Insurance Commissioner has the authority to prescribe or permit other specific practices that deviate from prescribed practices. As of June 30, 2026, the Commissioner had not prescribed or permitted the Company to use any accounting practices that would result in the Company’s earnings or financial position to deviate materially from NAIC SAP.

B. Use of Estimates in the Preparation of the Financial Statements

No material changes.

C. Accounting Policy

- 1) No change.
- 2) Bonds generally are stated at amortized cost, except for bonds that are rated by the NAIC as a class 6, which are reported at the lower of amortized cost or fair market value. Amortization is calculated using the scientific constant yield to worst method.
- 3) No change.
- 4) No change.
- 5) No change.
- 6) Asset-backed securities are stated at either amortized cost or the lower of amortized cost or fair market value. The Company applies the retrospective method of valuing loan-backed and asset backed securities.

D. Going Concern

Management has evaluated the Company’s ability to continue as a going concern and concluded that there is not substantial doubt about the Company’s ability to continue as a going concern.

2. Accounting Changes and Correction of Errors

No material changes.

3. Business Combinations and Goodwill

No material changes.

4. Discontinued Operations

No material changes.

5. Investments

A-C. Not applicable.

D. Asset-Backed Securities:

- 1) Prepayment assumptions for asset-backed securities were obtained from industry prepayment models or internal estimates. These assumptions are consistent with current interest rates and the economic environment.
- 2) The Company had no impairments based on the intent to sell or inability or lack of intent to retain the investment for a period of time sufficient to recover the amortized cost basis.
- 3) The Company had no other-than-temporary impairments for asset-backed securities held as of June 30, 2026, recognized because the present value of cash flows expected to be collected is less than the amortized cost basis of the securities.
- 4) Impaired securities for which an other-than-temporary impairment has not been recognized:

a. The aggregate amount of unrealized losses		
1. Less than 12 months	\$	—
2. 12 months or longer	\$	17,421
b. The aggregate related fair value of securities with unrealized losses		
1. Less than 12 months	\$	—
2. 12 months or longer	\$	235,161

- 5) All asset-backed and structured securities in an unrealized loss position were reviewed to determine whether an other-than-temporary impairment should be recognized. For securities whose present value of cash flows expected to be collected was less than the amortized cost basis of the security at June 30, 2026, an other-than-temporary impairment was recognized. The Company has evaluated its cash flow requirements and believes that its liquidity is adequate and it will not be required to sell other securities before recovery of their cost basis. As of June 30, 2026, the Company can assert that it has the intent and believes that it has the ability to hold these securities long enough to allow the cost basis of these securities to be recovered. The conclusions are supported by a detailed analysis of the underlying credit and cash flows on each security. It is possible that the Company could recognize other-than-temporary impairments in the future on some of the securities held at June 30, 2026 if future events, information and the passage of time cause it to conclude that declines in value are other-than-temporary.

E-I. The Company has no investments in repurchase agreements or securities lending transactions.

J-K. No material changes.
