Any non-vested premium bonus amounts will be repaid to the Company upon surrender and withdrawals in excess of the Free Withdrawal Amount.

Interest rates, participation rates and caps are subject to change.

While the value of each indexed account is affected by the value of an outside index, the contract does not directly participate in any stock, bond or equity investment. Availability of indexed accounts is subject to change at any time in our sole discretion and are only guaranteed to be available for the current segment.
