

Attached is the form you requested. Please read and follow all instructions carefully Complete all areas of the form that apply to your situation so that your request can be processed in a timely manner.

Complete as many of Sections 1 through 6 on page 1 only, that you need to describe what you are requesting.

## Non-Dividend Sections

- 1. Indicate basic policy attribute(s) and associated change(s) being requested.
- 2. Select feature(s) to be added or cancelled.
- 3. Check the payment mode to which you would like your premiums changed.
- 4. Indicate change(s) to the Automatic Premium Loan Provision and/or Automatic Nonforfeiture Provision.

## Dividend Sections (Please Read CAREFULLY)

5. Change of Dividend Method - If your intent is to release values from your current dividends, do not complete Section 5 and use Section 6 instead.

Check the dividend method to which you would like to change. **Please note:** If your current dividend method is one of these options:

• Fifth Dividend • Optionterm • Economaster I or II • Term Additions • Supplemental Term Portion

Please write in comment section:

I understand that as a result of this change in dividend method, my Death Benefit will be affected.

6. Release of Dividends/Paid-Up Values

Indicate the manner in which you wish your dividends and paid-up values released and/or applied.

**Please note:** If your current dividend method is one of these options:

• Optionterm • Term Additions

Please write in comment section:

I understand that the release of Paid-Up Additions may affect my Death Benefit.

# Signatures and Dates

Owner signature requirements are based on the owner designation of the policy/contract. Examples are:

- Individual: Print and sign your full name as it appears on the policy/contract.
- Multiple Owners: All owners must sign.
- Collateral Assignee: Assignees must sign in addition to the Owner, on Owner Signature lines and indicate title as "Collateral Assignee".
- Partnership: All partners must sign (unless a form authorizing one partner to sign is on file with us).
- Corporation: Titled officer must sign. The officer's title must also be indicated.

NOTE: In general, the insured/annuitant should not sign as officer. We ask that an additional titled officer sign if the signing officer is effecting a change for his or her personal benefit.

• Trust: The current trustee(s) must sign.

All forms must be dated in order to process your request.

### PRE-NOTIFICATION REGARDING MEDICAL INFORMATION BUREAU

Information regarding your insurability will be treated as confidential. The Company may, however, make a brief report thereon to the Medical Information Bureau, a non-profit membership organization of life insurance companies which operates an information exchange on behalf of its members. If you apply to another Bureau member company for life or health insurance, or submit a claim for benefits to such a company, the Bureau, upon request, will supply such company with the information it may have.

The Company may also release information to other life insurance companies to whom you apply for life or health insurance, or to whom you submit a claim for benefits. The Company will not, however, reveal to another company or to the Bureau, the action taken on the basis of your current request for insurance.

Upon request, the Bureau will arrange disclosure of information in your file. (Non-medical information will be disclosed to you and medical information will be disclosed to your attending physician or other medical professional designated by you.) If you question the accuracy of the information, you may contact the Bureau and seek a correction in accordance with the procedures set forth in the Federal Fair Credit Reporting Act. The Bureau's information office is at P.O. Box 105, Essex Station, Boston, Massachusetts 02112, telephone 617-426-3660.

### SUPPLEMENTARY NOTICE OF INFORMATION PRACTICES

In addition to the information practices described in the pre-notification entitled "What You Should Know About the Underwriting Process," "Investigative Consumer Reports," and "Medical Information Bureau," we and your agent may under limited circumstances disclose certain of the information gathered to third parties without your further authorization. For example, certain necessary items of information may be disclosed to:

- Persons or organizations for purposes of performing a business, professional or insurance function for use in connection with risk evaluation, administration of claims, and implementation of policy provisions;
- a medical professional to inform you of a medical condition of which you may not be aware;
- a state insurance department for purposes of carrying out its regulatory responsibilities;
- an affiliated company so that it can inform you of the availability of an insurance product or service.

Please also note that in the event we ask a consumer reporting agency to gather information for us that the information obtained may be kept by it and later disclosed to other users of reports. You have the right to request to be interviewed in connection with the preparation of any investigative consumer report that may be prepared. You have a right of access and correction with respect to the information collected about you except information which relates to a claim or civil or criminal proceeding. A description of these procedures will be sent to you upon request., If you have any further questions about our information practices, please write to the Medical Director, Nassau, PO Box 758573, Topeka, KS 66675-8573.

Detach; give to proposed insured, if Non-medical or Medical Application is Completed.

### PRE-NOTIFICATION OF INVESTIGATIVE CONSUMER REPORT TO INSURANCE/ANNUITY APPLICANT

In compliance with the provisions of the Fair Credit Reporting Act, this notice is to inform you that in connection with your application for insurance an investigative consumer report may be prepared. Such a report, which includes information regarding the consumer's character, general reputation, personal characteristics, and mode of living, is obtained through personal interviews with friends, neighbors and associates of the consumer. Upon written request, a complete and accurate disclosure of the nature and scope of such a report, if one is made, will be provided.

### WHAT YOU SHOULD KNOW ABOUT THE UNDERWRITING PROCESS

One of the prime objectives of the Company is to provide insurance at low cost. The underwriting process - the evaluation of risks - is necessary not only to assure this low cost but also to assure that each policyholder contributes his or her fair share of the cost.

Your **application** is the primary source of information in the evaluation process. However, as authorized by you, other sources of information may be used. These include the results of your **physical examination**, if required, and any reports received from **doctors** or **hospitals** who have attended you.

A check of the records of the Medical Information Bureau will be made. The purpose of the Bureau is to protect member companies and their policyholders from bearing the expense created by those who would conceal facts relevant to their insurability. Information furnished by the Bureau serves as an alert to the possible need for further independent investigation, but except in limited circumstances under Bureau rules cannot itself be used as the basis for rating or declination. The Bureau is not a repository of medical reports from hospitals and doctors, and information in the Bureau file does not reveal whether applications for insurance are accepted, rated or declined.

In addition, it is common practice within the insurance business to obtain an **investigative consumer report** as described on the reverse side. While these are not obtained on all cases, in the event that such a report is obtained, the applicant may, on request, be given the name and address of the reporting agency.

In most instances, our applicants are in good health, are not subject to unusual accident hazards, and otherwise meet our underwriting standards. In these cases the applications are rather quickly approved and a policy is issued at standard rates.

Some applicants for insurance, however, present greater insurance risks. This is usually due to an abnormal physical condition, a possibly dangerous occupation or avocation or a history of medical problems. In these cases a higher premium may be charged or coverage may be limited. In this way, each policy owner assumes his or her fair share of the insurance cost.

Occasionally, an applicant is denied coverage, usually because of a past or present medical condition. Whatever cash may have been collected is, of course, promptly returned.

For the benefit of all our policyholders, the Company selects you as carefully as you selected us. The Company's continuing objective is to provide you with low-cost insurance coupled with sound and timely advice, both now and in the years to come.

Thank you for allowing Nassau to service your needs.
