IMPORTANT INFORMATION ABOUT NEW CUSTOMER IDENTIFICATION PROCEDURES

The USA PATRIOT Act requires financial institutions to obtain, verify, and maintain information that identifies each person who opens a new account or is added to an existing account with the Company. To meet this Federal obligation the Company will ask individuals for their name, address, date of birth, including a driver's license or other government issued identification that will allow us to verify their identity. For certain entities, such as trusts, estates, corporations, partnerships, or other organizations, identifying documentation is also required. For both individuals and legal entities, the Company may include the use of third party sources to verify the information provided.

I understand that if community property or marital property law applies to my policy (Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Texas, Washington, and Wisconsin) and I have not named my spouse as the sole beneficiary, my spouse may need to consent to the non-spouse designation. It is solely my responsibility to seek legal advice on questions regarding this designation for my policy. By submitting this form without spousal signature, I affirm that community property or marital property law does not apply to my policy and spousal consent is not required. In the event spousal consent is required, the Company is not liable for any consequences resulting from my failure to obtain proper consent.
